Audition Procedure: PLEASE READ!!!!

Auditions for YCA consist of a solo piece of your choice and ability of about 2-4 minutes in length, a scale of your choice and a short sight-reading piece picked by the judges. The judges may also ask you to play a scale of their choice. You do not need an accompanist. Auditions last about 6-8 minutes. Please provide a copy of your solo piece for the judges. You do not need to memorize this piece.

YCA holds the only "screened" auditions for youth in Colorado Springs. This means that the audition committee will not see you while you audition, but will only hear and judge you based solely upon your performance. This ensures that there will be no favoritism or discrimination on any basis. **An attendant will accompany you into the audition room. If you wish to ask a question while auditioning please whisper it to the attendant and they will relay it to the committee. Do not speak out loud while in the audition room.**

All members of the Young Concert Artists Orchestra are required to remain members of the school music programs during tenure with YCA unless specifically excused by the director of their school ensemble.
